## welcome

We warmly welcome you to The Byron at Byron Resort and Spa and proudly reflect on our journey to date, achieving numerous awards and accolades since opening in 2005. Lyn and I have been a team in operating hotels and resorts worldwide since 1979; separate duties and responsibilities with the same goal and vision, always remembering we are in the people business, meeting as many guests as possible daily. Our family of staff are empowered to take time to chat to guests, even a few words; it makes all the difference. Our staff and guests feel like family, with our rainforest verandah as our living room to gaze, laze and graze. We invite you to join us. Nature and family abounds here so please enjoy.
