

BYRON

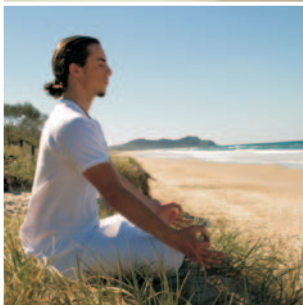

at Byron

R E S O R T A N D S P A

Bordered on one side by beautiful coastline and the other by magnificent rainforests, Byron Bay is ideally positioned as a centre for inspiration and innovation. Situated at the easternmost point in Australia, this stylish coastal village enjoys a subtropical climate with clean air, crystal clear water and pristine beaches.

Feel creative and inspired at The Byron at Byron Resort and Spa, the perfect venue for meetings, conferences, product launches and corporate incentives. Set amongst a stunning 45 acre sub tropical rainforest, moments from Tallow Beach and only a short drive or cycle to the iconic Byron Bay township, life here is easy. The Resort has a wonderfully laid back atmosphere with exceptional service to complement the stylish design and architecture.

LOCATION & TRANSFERS

The Byron at Byron Resort and Spa is located two hours south of Brisbane, 45 minutes from Coolangatta Airport (Gold Coast) and 25 minutes north of Ballina/Byron Airport. Byron/Ballina Airport has daily flights from Sydney (VirginBlue, Jetstar and REX) and Melbourne (Jetstar). Coolangatta (Gold Coast) Airport has daily flights from Sydney, Melbourne, Adelaide and New Zealand with routes and destinations continually increasing. Transfers are available from all ports. The resort is located five kilometres from Byron Bay town centre. A 24 hour taxi service runs throughout Byron Bay, seven days a week.

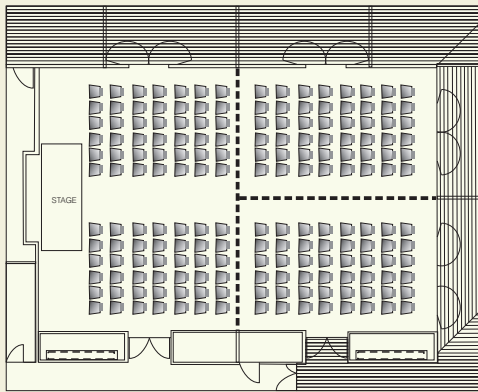

CONFERENCE CENTRE

The Byron at Byron Resort and Spa offers a professional and stress free venue for conference delegates. Apart from the standard conference requirements, the facilities also provide for board meetings, gala dinners, incentives and other major events.

The 216-sqm conference centre caters for up to 180 delegates in a variety of configurations including classroom, banqueting, theatre style or cabaret.

The conference room may be used in total or divided into three rooms. The six metre wide verandahs make for great break out areas.

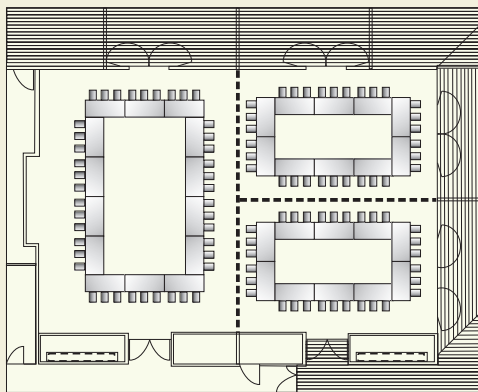

Audio visual equipment is available including data ports and wireless technology allowing for easy laptop connections. The resort can recommend state of the art local technicians to assist with any AV production requirements.
